

**VILLAGE OF WESTON AND TOWN OF WESTON
2012 Spring Clean Up, Bulk Item Drop Off, and Yard Waste Recycle
Drop Off Location Policy**

General Information:

This policy has been established to minimize and insure Village of Weston and Town of Weston expenses associated with handling and disposal of materials received during Spring/Fall yard waste cleanup, bulk item drop off, and summer yard waste at the Municipal Yard Waste Recycle site, are associated with **only** Village and Town of Weston resident waste.

Roadside Yard Waste Service Date:

Spring Yard Waste Pick Up Week

May 7 – May 11 Curbside by 7:00 a.m. **on the day of your regular refuse pickup.** We will make one pass through the neighborhood. Materials not at curbside will have to be taken to Weston's yard waste disposal site located on Ryan Street (1/4-mile south of Weston Avenue).

Yard Waste Items:

Un-bagged thatch, leaves, grass clippings, pine needles and brush less than 6 inches in diameter. The Village utilizes a leaf vacuum system, which requires yard waste to be brought to the back of the curb or gravel roadway shoulder. **DO NOT BAG ANY YARD WASTE.**

Yard waste is to be placed in a row in piles, which do not exceed 5-feet wide and 4-feet high along roadside. Piles are to be placed so as to be **clear of power poles, trees, and mailboxes** for ease of pickup. Brush is to be **kept separate from yard waste** and placed at roadside with stump ends of limbs placed in same direction, **parallel** with the roadway.

SPRING BULK ITEM RESIDENT DROP OFF/YARD WASTE RECYCLE SITE
