- (2) Designated snowmobile trails, roads and/or highways.
 - (a) *Snowmobile trails.* Snowmobile operation within the Village of Weston is permitted upon routes and trails designated as "snowmobile trails" on a map entitled "Snowmobile Access Corridor--10 mph Village and Town of Weston, Marathon County, Wisconsin" dated October 12, 2001, prepared by the Village of Weston Engineering Department, a copy of which is on file in the office of the village clerk.
 - (b) *Village street and highway access routes.* There is hereby established by the village board a snowmobile "access buffer zone" as shown and depicted on the map described in subsection 2(a) of this section. Except for the non-access roadways shown on the said map, snowmobile operation at speeds not exceeding ten miles per hour shall be permitted upon those village streets and roadways, and shoulders thereof, which are located within the "access buffer zone" solely as a means of providing access for persons traveling by snowmobile from a residence within the limits of the buffer zone to the nearest snowmobile trail or route closest to that residence. Any operation of a snowmobile on any road or street other than for immediate access to a snowmobile trail or route within the access buffer zone is prohibited.

(3) *Penalty.* Any person who violates any provision of this section shall upon conviction thereof, be subject to the following forfeitures and costs.

(a) For a first or second violation, a forfeiture of not more than \$250.00 for each offense.

(b) For any person who violates any provision of this section who, within the last three years prior to the conviction for the current violation, was two or more times previously convicted for violating the same provision of this ordinance, a forfeiture of not more than \$500.00.

(c) In addition to the foregoing forfeitures a person convicted shall be subject to costs of prosecution and in default of payment of said forfeitures and/or costs of prosecution, imprisonment in the Marathon County Jail for a period not to exceed 90 days or until such forfeiture and costs are paid.

ARTICLE III. BICYCLES

Sec. 82.113. Penalty.

The penalty provisions of section 1.112 shall apply to any violation of this article.

(Ord. of 2-21-1983, § 6)

Sec. 82.114. Registration required.

(a) No person shall operate a bicycle upon any street, alley, public highway, sidewalk, bicycle lane, bicycle route, bicycle way or other public right-of-way in the village unless the bicycle is registered and has affixed a registration plate as provided in this article.

(b) This article shall apply to all permanent and temporary residents of the village and to such nonresidents who operate bicycles upon the streets of the village habitually or frequently, either in going to or from school, or to and from work, or for other purposes, but shall not apply to casual travelers or tourists passing through the village on their bicycles, nor to those residents of cities, villages and townships adjacent to the village who are validly and currently registered within their respective jurisdictions.

(Ord. of 2-21-1983, § 2)

Sec. 82.115. Registration; fee; inspection.

(a) Registration shall be made with the police department, who shall provide the appropriate forms. Upon payment of a registration fee provided in the village fee schedule, the police department shall issue a registration plate for the bicycle, which shall permit the bicycle to be operated within the village as provided in this article.

(b) The registration shall be permanent from the date of issuance provided the bicycle remains with the registered owner and at the registered address. In the event of a sale or other transfer of the bicycle to a new owner, a transfer of registration must be completed in conformity with the provisions of section 82.117.

(c) No person shall be entitled to register a bicycle when that person is believed by the Everest Metro Police Department to have no claim to, or evidence of, ownership of the bicycle or have no right to possession of such bicycle.

(d) The Everest Metro Police Department may inspect each bicycle before registering it, and the department may refuse to register any bicycle that the registering officer believes to be in an unsafe mechanical condition.

(Ord. of 2-21-1983, § 2)

Sec. 82.116. Display of registration plate.

(a) No bicycle shall be considered registered until a registration plate, which shall remain legible at all times is affixed to the bicycle, which shall remain so affixed until the bicycle is either dismantled, destroyed or removed by the Everest Metro Police Department for cause. Such license shall be attached securely to the rear of the operator's seat or to the rear fender of the bicycle.

(b) No person shall intentionally destroy, mutilate or alter the identification plate affixed to any bicycle or remove, without the permission of the owner, any identification plate from any bicycle. If a replacement plate must be issued, the fee shall be as provided in the village fee schedule.

(Ord. of 2-21-1983, § 3)

Sec. 82.117. Transfer and cancellation of registration.

Within ten days after any bicycle registered under this article changes ownership, is transferred or dismantled and/or taken out of operation, the person in whose name the bicycle has been registered shall report such information to the Everest Metro Police Department. In the event of a change of ownership or other transfer of the bicycle wherein the bicycle remains in use in the village, the license plate will remain with the bicycle. Every such person who transfers the title of any bicycle shall endorse upon the

bottom of the registration card the name and address of the transferee, the date of the transfer and the name of the transferor. The transferee shall re-register the bicycle and shall pay a transfer fee as provided in the village fee schedule. If a bicycle is dismantled and/or taken out of operation, the license plate will not remain with the bicycle but shall be immediately destroyed by the person disposing of or dismantling the bicycle.

(Ord. of 2-21-1983, § 4)

Sec. 82.118. Buying or selling bicycles.

Every person engaged in the business of buying, selling or exchanging bicycles in the village shall maintain for three years from the date of the transaction a record containing the brand name, color, type and serial number of each bicycle bought, sold or exchanged and shall record the name and address of each person buying, selling or exchanging a bicycle. This record shall be open to inspection by a representative of the Everest Metro Police Department during reasonable business hours.

(Ord. of 2-21-1983, § 5)

ARTICLE IV. MINIBIKES AND SELF-PROPELLED DEVICES

Sec. 82.119. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Highway means all public ways and thoroughfares and bridges on such ways and thoroughfares. It includes the entire width between the boundary lines of every way open to the use of the public as a matter of right for the purposes of vehicular travel. It includes not only the actual traveled portion of the roadway, but also the shoulders, ditches and other adjacent areas that are owned by or reserved for the use of the public.

Minibike means any self-propelled device primarily used for transportation or sport, including but not limited to motorcycles, go-carts, motorized bicycles, off-the-road trail bikes, and all-terrain vehicles.

Self-propelled device means any device designed primarily for off-the-road use which is internal combustion engine driven or electric motor driven, and in, upon or by which any person or property is or may be transported or drawn. It includes without limitation for lack of enumeration, such devices commonly known as minibikes, go-carts and motor bicycles.

(Code 1982, § 7.26(1))

Cross References--Definitions generally, § 1.101.

Sec. 82.120. Penalty.

The violation of any of the provisions of this article relating to the operation of minibikes or self-propelled devices shall subject the violator to section 1.112.

(Code 1982, § 7.26(4))

Sec. 82.121. Operation.

No person shall operate a minibike or self-propelled device in the village in the following manner:

- (1) At a rate of speed that is unreasonable or imprudent under the circumstances.
- (2) In any careless way so as to endanger the person or property of another.
- (3) While under the influence of intoxicating liquor, fermented malt beverages, narcotics or other controlled substances.
- (4) In such a way that the exhaust of the motor makes an excessive or unusual noise.
- (5) Without a functioning muffler.
- (6) Upon any public highway, street or alley, or upon any sidewalk or parkway in the village unless such vehicle is registered as required by Wis. Stats. ch. 341 and its operation and operator are specifically permitted to operate the vehicle by statute.
- (7) Upon any slide, ski or skating area, except for the purpose of serving the area or crossing the places where marked.
- (8) On any lands operated or leased by the village.
- (9) Upon the private property of another without the consent of the owner or lessee. Failure to post private property does not imply consent for use. Any motor-driven craft, minibike or self-propelled device shall, at all times, have the consent of the owner before operation of such craft or vehicle on private lands.

(10) On or across a cemetery, burial ground, school or church property, without the express consent of the owner.

(Code 1982, § 7.26(2))

Sec. 82.122. Liability of parent or guardian.

No parent or guardian of any child under the age of 18 years shall authorize or permit such child to violate any of the provisions of this article. Any child under the age of 18 years who shall operate a minibike or self-propelled device shall be presumed to be operating the vehicle under the authority of a parent or guardian.
