

PERMIT # _____

EXTERIOR REMODELING

VILLAGE OF WESTON BUILDING PERMIT REQUIREMENTS

Before making application with the Village of Weston the following items must be understood and completed:

1. Permit required for new siding, soffit and fascia,
2. No permit is required for shingle replacement alone
3. Any work done beyond shingle replacement, for example soffit and fascia work, roof deck replacement/repairs and roof framing repair, will require a permit.
4. Inspection is needed only for framing repairs or changes.
5. Work by licensed contractor not required
6. **New** windows and/or doors (more than 2 - \$5 each/\$30 minimum) no permit required for sash replacements.
7. New siding, soffit & fascia, roof deck replacement/repairs and framing repairs or changes. Permit fee is \$50.00

I have hereby read and understand the ordinance specifications for roofing and pledge my cooperation and compliance with these regulations.
