

Trustee Barb Ermeling, 67, a retired Town Clerk, has served on the Village Board for the last nine years. She currently serves as the Chairman of the Finance Committee and was chiefly responsible for the tax rate freeze in 2010. She also is the Chairman of the Marathon County Board's Human Resource Committee. She was named Weston Board Member of the Year in 2009. Ermeling is married with three adult children.

"I view myself as a fiscal watchdog. In the last three years we have created policies that have allowed our TIF Districts to succeed, earned three bond rating increases and protected taxpayers' pocketbooks. I am committed to making Weston an affordable place to live and work," said Ermeling.
