Contact Us

Our telephone number is easy to remember. Just dial **842-WATS (9287)** and we will gladly assist you.

PLANNING YOUR TRIP - All WATS bus routes have a name, a letter designation, and a color to help you match the system map with the timetables. The route letter and route name are also displayed on the bus. If you need assistance planning your trip, call WATS at 842-9287.

CATCHING THE BUS - Go to the street on which your route operates and locate a bus stop sign, usually every other block. *Bus stop signs may not be in place for the first several weeks. During that period, you can catch the bus on any corner along the route.* Stand at the bus stop and wait for the bus to arrive. Be at the bus

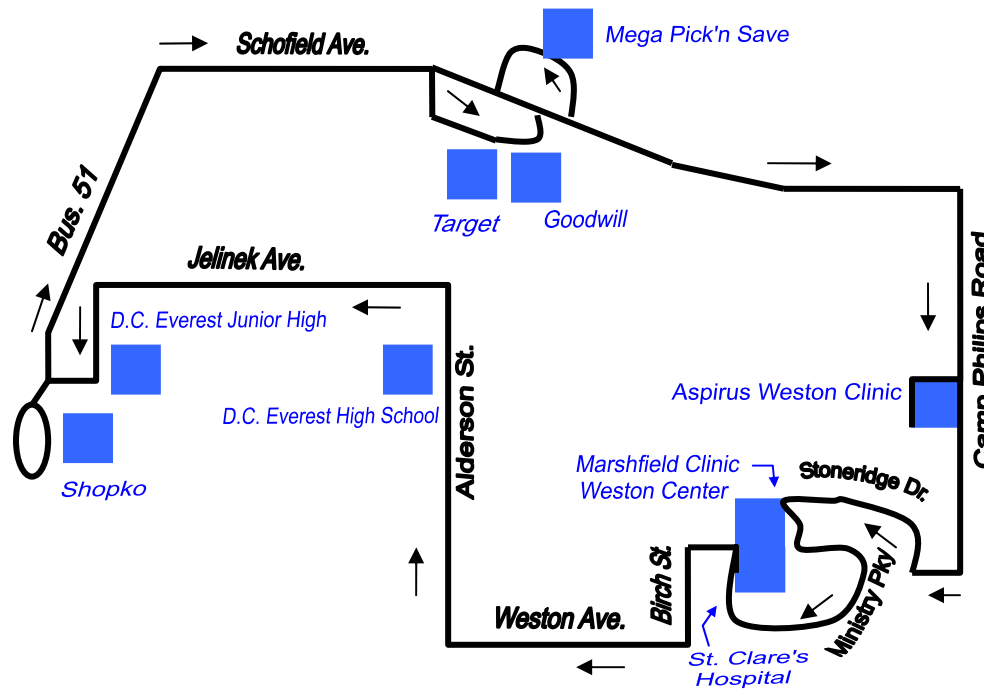

stop a couple minutes before the bus is scheduled to arrive so that you don't miss it. When you see the bus coming, step up to the curb and hail it by waving.

Get aboard quickly, pay your fare, and take a seat. If you need change to pay your fare, ask the driver before you put money into the farebox. Our drivers do not carry large sums of money, so we ask that you not use anything larger than a one-dollar bill for bus fare.

GETTING OFF THE BUS - About one block before you get to your bus stop, let the driver know that you want to get off. As much as possible, you should avoid moving about while the bus is in motion, particularly in wet or snowy weather when the bus floor is likely to be slippery. Please remain seated until the bus has come to a complete stop. When the bus has stopped moving, exit and wait until the bus has pulled away before starting to cross the street.

Route K – Weston

Because the bus is so large, car drivers cannot see you stepping out in front of or behind it.

TRANSFERS - When your one-way trip requires the use of more than one bus, you will need to ask the driver for a transfer. Free transfers are available on all routes. Just ask the driver for a transfer when you pay your fare. A transfer entitles a passenger to transfer to any other route in order to get to a destination. Transfers are valid only when used at the downtown Transit Center or where two routes intersect. Passengers can transfer from Route K to Route C at Shopko. A transfer must be used no later than one trip after it is issued. A transfer must be used to continue your trip on a different route. Transfers cannot be used for a return trip. A transfer is not a round-trip ticket.

MAKING TRANSFER CONNECTIONS - If you are transferring, be sure to notify the driver so he can notify the driver of the other route. Step along quickly, even if your first bus is late pulling in, the driver of your connecting bus can only wait three minutes past his scheduled departure time. To wait longer would throw his bus "out of sync" with the other routes.

TRANSPORTATION FOR THE DISABLED - All WATS busses are equipped with wheelchair lifts. Disabled riders who do not use a wheelchair but are unable to climb the steps may request to use the lift to board the bus.

If your disability prevents you from using a WATS bus, you may qualify for WATS+ Paratransit Service. WATS+ is a curb-to-curb van service, which operates during the same hours and in the same general service area as our busses do. WATS must certify your eligibility to use this service. For more information, call us at 842-9287 during our regular office hours.
